Join a Small Group

We believe that life change occurs most often when we are surrounded by a small group of believers who are all striving to be more like Christ. Though it is often hard to open up about our struggles, tackle hard things, and grow deeper in our walk with Christ these small groups provide a safe place to do just that. Within these groups we can lean on and spur one another on to Christ likeness. Will you consider joining one?

This session our small groups will focus on four topics; Revelations, Anxiety, Crazy-makers, and our Attitudes. All small groups will run from February 4th through March 25th on Sunday nights at 6pm and take place on campus. Childcare is provided. For more info please visit the cafe or the church's website.
